# Umbra at Portwood

Spanning 6 storeys, The Residences and Concrete Townhomes at Portwood are a collection of 1 to 3 bedroom homes that mark a striking debut for this new community. Umbra seamlessly blends indoor and outdoor living, offering a zen-inspired oasis where you can reconnect with nature.

## Home & nature. Nurtured.

With a natural garden sanctuary at the heart of the architecture, Umbra invites residents to connect with one another at their own pace, in their own space. Inspired by communal living and taking cues from its natural surroundings, Acton Ostry Architects delivers design that mixes Scandinavian simplicity with the effortlessness of West Coast style.

# Neighbourhood

Experience the ultimate blend of nature and urbanity in Port Moody. Treat your four-legged friend to a little stroll along the boardwalk at Shoreline Trail or take a paddle board out on the water for a different vantage point of the rugged coastline. If you're looking for something slower-paced, walk on down to Brewery Row for a cold craft beer with friends. From the smells of bakeries to the sounds of bustling bistros, immerse yourself in the exciting evolution of Port Moody.

## Let's stay connected

United across cultures, the concept and symbol of home is a universal theme within each of our lives, carrying meaning in a kaleidoscope of perspectives — together, we are building and defining what it means to come home.
