Born out of a vision that draws inspiration from its charming location, and lush surroundings, Florin is a community designed for those seeking a stylish retreat to establish roots and flourish. Tucked away on the quiet tree-lined street of Rochester Avenue in West Coquitlam, Florin seamlessly blends the best of design, value and location. This innovative community of condos, townhomes, and heritage homes embodies superior quality and enduring style, where no detail is overlooked.

SIT BACK, STAY COOL

Florin homes are designed for everyday life where elevated comforts are included. Central air conditioning comes standard and included in every home. Control the temperature of your home from your phone through the WIFI smart thermostat.
