Welcome Home to Sunstone

This thoughtfully planned neighbourhood sits on a south facing forested hillside surrounded by a spectacular rock bluff, trees and sweeping views of Mount Currie and the Pemberton Valley below. At the base of the Sunstone community is the future site of Pemberton's planned recreational amenities as well as the planned 7km multi-use Friendship Trail which will connect the neighbourhood to Pemberton Village.

Distinctive Architecture

This rare collection of mid-century inspired contemporary homes is set to elevate your living. Spacious, elegant duplexes feature open-concept layouts and unobstructed views complete with expansive decks and large garages thoughtfully designed for your active Pemberton lifestyle.

An inspiring blend of modern design & style

Tasteful, Scandinavian-inspired interiors feature a warm, neutral colour palette allowing the beautiful, natural setting of Pemberton to shine through. Sloped, 12' over-height ceilings with large windows in living rooms to maximize mountain views and natural light throughout the homes.

An unsurpassed Pemberton experience

Easy access to a large network of forested trails for hiking and mountain biking just steps away from your front door. Enjoy a round of 18 holes at one of two world-class golf courses during summer and cross-country ski or snowmobile through beautiful backcountry powder in the winter.

Pick your own organic produce at one of the many local farms or at the weekly Pemberton farmers' market or indulge at one of the many award-winning restaurants. Adventure begins here.
