Cherryville
MISSION

Nature's Playground at Your Doorstep

West Coast Architecture with Contemporary Features

At Cherryville, timeless townhome architecture pairs with a tasteful colour palette to create an authentic experience for owners and visitors alike. The homes are designed to offer opportunities to gather with friends and family, while ensuring peace and privacy. The collection's outdoor amenities, including a basketball hoop and ping pong table, provide safe spaces for families to play together outdoors while staying close to home.

Stylish Chef-Inspired Kitchen

The building's authentic architectural design continues indoors, with carefully considered layouts and details that maximize your living space. The spacious homes revolve around gourmet kitchens, designed for family-friendly meals and other activities. Ample quartz countertops and island, refined backsplashes, and sleek, soft-close cabinetry combine to ensure everything has its proper place. Open-concept dining and living area provide endless opportunities for family dinners, board game nights, homework time, and other events that suit your schedule.

Living Spaces that Enhance Every Day

The interiors at Cherryville feature open and adaptable living spaces that emphasize flow and accommodate every family function. Large windows draw natural light inside, illuminating the warm wooden laminate flooring that anchors the home with a natural feel. Generous nine-foot ceilings on the main level add to the expansive sense of space and light. Spacious bedrooms are designed to prioritize peace and quiet, for deep and restorative rest.
