Location

Neighbourhood & Walkability — West End

The West End is located in the most densely populated, intensively active portion of the Lower Mainland. It shares the peninsula with the Downtown, Central Business District and Stanley Park. Until the turn of the century, the West End was only sparsely settled, due to its distance from the old Granville Townsite (Gastown). The West End is home to a mixed population, old and young, of Canadians, immigrants and international transient residents. Close to 45,000 people of all a...
