Neighbourhood & Walkability — False Creek

The south shore of False Creek has had quite a diverse history of land uses since its founding. South False Creek went from being an industrial park, in the late 1800s and early 1900s, to being the populous residential area that it is today. The north shore of False Creek, on the downtown peninsula, has undergone multiple stages of development since its purchase by the province from the Canadian Pacific Railway in the early 1980s. Before the BC Cabinet bought the land of Nort...
