Overview

Roslyn Ridge - 11305 232 Street, Maple Ridge, BC V2X 3R3, Canada. This new single family home development by Morningstar. The development is scheduled for completion in 2020. Sales for available units range in price from \$919,900 to over \$1,150,900. Roslyn Ridge has a total of 84 units. Sizes range from 3065 to 3215 square feet. Inside each home you will find the not-so-little details that make a Morningstar home extra special, one built with heart, pride and years of well-honed craftsmanship. Attention to detail can be seen both inside and out starting with beautiful exteriors complimented with accents of wood, stone and shingle. Be ready to be wowed when you step through the front door into the luxury that surrounds. Details such as built-in window seats add elegance and charm to bedrooms & dining rooms, extra-large windows flood the home with natural light while showcasing the greenbelt views and the kitchen islands are extra-large for families to enjoy a casual bite or to gather around with friends. Vaulted ceilings make the home feel grand while the well thought out master bedroom includes a sitting room and spa-like ensuite that allows for a true getaway experience without ever having to leave home. Attached double car garages make for easy access in/out of your home with fully fenced rear and side yards for added safety & privacy. Choose to finish your basement now or later with your growing family needs. Roslyn Ridge will feature four Show Homes so that you can experience first-hand what it will feel like to live there.
