Overview

Stayte Shore - 1453 Stayte Rd, White Rock, BC V4B 4Z3, Canada. Situated on Stayte Road between Thrift Avenue and Russell Avenue in White Rock. Our exclusive townhouse community offers a unique blend of coastal charm and contemporary sophistication. Comprising of 20 units townhouse, 3 levels, with estimated completion in 2025. The four 3-storey wood-frame blocks are finished with either warm, natural wood tones or cooler blue hues. Exteriors are clad in durable, cementitious horizontal lap siding and panels. Ranging from 1,215 1,996 sq ft, Stayte Shore offers

a selection of three floorplan types. All units have three bedrooms, except for one that has two. Amenities include a childrens play space at the centre of the property, and two landscaped seating areas with shade trees. Meticulously designed by Vanhome Properties Inc., and Atelier Pacific Architecture.

Each home is meticulously crafted to capture the essence of seaside living, boasting spacious interiors flooded with natural light and spacious rooftop patio for the best comfort. Embrace a lifestyle of comfort, tranquility, and effortless elegance in this coastal haven, where the rhythms of the sea inspire a sense of relaxation and renewal. Welcome to your retreat near the coast, where every day feels like a getaway by the sea.
