Overview

Flat Iron - 1455 W Georgia Sreet, Vancouver, BC V6G 2S3, Canada. Crossroad are W Georgia Street and Nicola Street. Developed by Brilliant Circle Group. Architect James Cheng.

1445 & 1455 West Georgia St. is a unique and prominent site, which has been identified by the City of Vancouver for consideration as a higher building site, providing a western landmark gateway to downtown.

However, the development team behind a flat iron-like tower for a triangular site near the intersection of West Georgia Street and West Pender Street has put their project on hold.

Location

Neighbourhood & Walkability — Coal Harbour

Coal Harbour is the name for a section of Burrard Inlet lying between Vancouver, Canada's downtown peninsula and the Brockton Peninsula of Stanley Park. It has also now become the name of the neighbourhood adjacent to its southern shoreline. It is a charming mix of business and residential, being home to both the Vancouver Convention Centre as well as condo towers. Around this area you'll find locals and visitors mingling on the sea wall, neighbourhood cafes and restaurants, ...
