## Overview

Fleetwood Point - 16511 Watson Drive, Surrey, BC V4N 6T7, Canada. Strata plan number EPP75375. Crossroads are Watson Drive and 164 Street. Fleetwood Point is a collection of 58, 3-storey townhouses with a fresh perspective in Surrey's charming Fleetwood community. Each home is built individually with craftsmanship, care, and attention. These three-bedroom plus flex homes

feature unexpected details that elevate life to another level details you would ordinarily find in a single-family home. Completed in September 2019. Developed by MetroVan. Architecture by DF Architecture Inc.

Made up of residential pockets and an urban artery, the heart of Fleetwood embraces the Fraser Highway, right between Surrey and Langley City Centres. From your home at Fleetwood Point, walk to grocery stores, dining options, and other everyday conveniences. Even your kids can safely and easily walk to elementary or high school. Stroll to the park on a sunny day or to the Surrey Sport and Leisure Complex any day. And only a short drive away, you'll find golf clubs, regional parks, and major shopping centres.
