Overview

Hawthorne - 17555 57A Avenue, Surrey, BC V3S 7V2, Canada. Crossroads are 57A Avenue and Cloverdale Bypass. This development features 112, 3-level townhomes. Flat front facades, low rear

roof lines and pitched gable roofs draw from classic saltbox design, defining each home from the next. Oversized windows allow natural light to flood the homes, while the shadowbox detailing add layers of depth and character across the development. Completed in 2019. Developed by Mosaic. Architecture by Ekistics.

Hawthorne feels like a small town main street, in the heart of a big city. Everything you need, from all the places you love, where everybody will know your name. And when its time to travel, quick access to all the main thoroughfares.
