| ✓ Gardening | ✓ Hot Water |
| ✓ Management | ✓ Recreation Facility |

Location

Neighbourhood & Walkability — Quilchena

Quilchena, which in first nations language translates to “flat place near the water,” has a history that goes back to the 1960s. The Canadian Pacific Railway, which owned the land, historically leased it to the Quilchena Golf Course. In 1965, the lease expired and the Vancouver park board bought the eastern area of the golf course for the park. The western portion became Prince of Wales secondary school. source: vancouver.sun.com...
