Unprecedented in design, detail and lifestyle, Lakeview Village is the growing urban heart, rooted in the wine country of West Kelowna, with an elevated collection of extraordinary new residential homes, as part of a compelling mix of architecture, retail, commerce, services, a brewery, eateries, and a Montessori School.

Sweeping panoramic views from vineyard to lake are complemented by a hydroponic green room for growing vegetables year-round, rooftop gardens, a gym, a welcoming and private swimming area, trails and lush pathways throughout the community, and a convenient dog wash station for our four-legged friends to rinse off.
