Overview

Light House - 300 Salter Street, New Westminster, BC V3M 5B1 Canada. Consist of 107 elegant units and 4 levels. These condo is development by Aragon Properties Ltd. Located in the southern part of the Port Royal community in the city of New Westminster. This is a quintessential West Coast community on the Fraser River between Annacis Island and Downtown New West. The

neighbourhood itself is called Queensborough and it has access to the waterfront, spectacular views and ample parks and walking trails, which promote an active, social lifestyle year-round.

Drawing on the rich history of modernism and infused with the best of elements of the West Coast location, Light House brings urban design into a new context. Historically, modernist architectural forms have been reserved for cities, but we see the potential for a new proposition: a striking, elevated building in a tranquil waterfront setting.
