Overview

Baycrest West at 3489 Baycrest Ave, Coquitlam, BC V3B 2W7, Canada. Located at North West corner of Baycrest Avenue and Mitchell Street in the neighbourhood of Burke Mountain-Coquitlam. Baycrest West is a new townhouse built by Woodbridge Homes. Comprising of a Portico Design Group beautiful wood-frame units, 3 stories, was completed in 2021. Interiors are thoughtfully designed for elevated everyday living. Two curated colour schemes embody the natural palette of Burke Mountain and reflect the openness of mountainside living. Generous windows fill your home with fresh air and light while vaulted ceilings in master bedrooms create a spacious yet cosy escape.

The Burke Mountain neighbourhood is also evolving. The City of Coquitlam has a vision for a thriving future village with walking trails, cycling greenways, village commons, schools, a community centre, shops, and restaurants bringing convenient amenities and everyday necessities even closer to home. With kilometres of nearby trails to hike and bike, this is also a community connected to the outdoors. Pinecone Burke Provincial Park offers endless opportunities to explore by way of fishing, camping, canoeing, and swimming.
