Overview

SEA and SKY - 38011 Laurelwood Rd, Squamish, BC V8B 1A8, Canada. A master-planned community designed with purpose by the family-run teams at Bosa Properties and Kingswood Properties. With two-, three- and four-bedroom townhomes, as well as future apartments and

rentals, there's a place with just the right space for you. This development approximately consisting of 900 townhomes and condominiums that will be built in phases. Situated in a spectacular location on the Mamquam Blind Channel across from downtown Squamish, it will transform a former sawmill site into a vibrant master-planned community that includes a commercial area with shops and cafes, a wide waterfront promenade. The community spans over 53 acres, offering various housing options, including family homes, parkside homes, and condominiums. The community boasts several amenities, including a vibrant boardwalk, an extensive park and trail network, a 17,000-square-foot amenity center, and even a pedestrian bridge linking it to Downtown Squamish.
