Overview

Concord Metrotown - 4754 Kingsway, Burnaby, BC V5H 2C2, Canada. Concord Metrotown is a new condo development By Concord Pacific (1) currently in preconstruction at Nelson Avenue & Kingsway, Burnaby. Concord Metrotown has a total of 1400 units.

Soaring high above all of British Columbias buildings, Grand Tower sets out to be the new landmark at the heart of Metrotown Town Centre with a total of 65 floors and a selection of one, two and three-bedroom opulent homes.

While enjoying breath-taking views of Metro Vancouver, each suite comes with airy 9-ft. ceilings, smart home automation system, steam closet, Miele appliances, and a spacious convertible solarium. The two levels that make up the 66,000 sq. ft. of Sky Parks indoor and outdoor amenities include sought-after features inspired by the worlds finest: an iconic conservatory with a 400m running track, an aquatic zone nested in verdant biophilic enclaves, pet spa, private work pods and even a bike level with dedicated bike lockers and cycling facilities. Topped with Concord Biospace, a purposeful system which offers enhanced air flow and purification as well as touchless contact in high-traffic areas, Grand Tower is a holistic and forward thinking solution to living well!
