Overview

Granville Mews - 6738 Granville Street, Vancouver, BC, 3 levels, 35 townhomes, estimated completion 2013 - located at the corner of Granville Street and 51st Avenue in South Granville community of Vancouver West Side. Granville Mews is an exclusive collection of 35 two, three, and four-bedroom town and garden homes that is being developed, built and designed by a team of

award-winning professionals: Forrester Development Corp and McPherson Construction, Formwerks Architecture Inc. These rowhouses are located in 7 separate buildings at 6708 - 6776 Granville Street with floor plan sizes between 878 square feet to 1,710 square feet and 66 parking spaces (one of which is a car share spot).

The Granville Mews buildings would be designed to have the appearance of a 2 storey form with steeply pitched roofs, dormers, and bay windows and individual entryways reflecting the traditional character of the South Granville neighborhood. Inside, every home will feature laminate flooring, engineered tile floors, high end stainless steel appliance package, glass tile backsplash, quartz countertops, kitchen island with double stainless steel sinks, spa inspired bathrooms and much more. Plus spacious front and back yards invite for entertaining.

Perfectly situated between South Granville, Shaughnessy, Montgomery Park and Queen Elizabeth Park, everything is close to home. A few blocks away are Langara-49th Ave Sky Train Station and youre only minutes away from downtown Vancouver or Mertotown Center. For shopping, there is Oakridge Centre, the Kerrisdale shopping district or South Granville. Growing families have access to Osler Elementary School, Eric Hamber Secondary and three prestigious private schools, all around the Granville Mews.
