Overview

Pier West by Bosa - 680 Quayside Dr, New Westminster, BC V3M 0C4, Canada. Crossroads are Quayside Drive and Front street. Pier West is the final piece in the completion of New Westminsters waterfront revitalization. The groundbreaking development includes two residential towers 665 total units; plus a variety of services that add to the community. The design will be of lasting architectural significance, reflecting a forward-looking vision.

Pier West is one of the tallest waterfront residential properties in the Lower Mainland. Will include West Tower 364 Units, East Tower 301 units, 53- and 43-storey high-rises, a three-storey commercial building that includes childcare and retail spaces, about two acres of park and open space, an extension to Westminster Pier Park, and a public plaza and esplanade space.
