Overview

Evelyn - 710 Keith Road West Vancouver BC Canada V7T 1M1. Evelyn is a new community in West Vancouver, showcasing spacious west coast modern residences. When complete, the master-planned community will feature over 350 residences on West Vancouver's Sentinel Hill.

Urban conveniences are a stones throw as the community is conveniently located above the north side of Park Royal Mall and is made even more accessible with two direct footpaths directly connecting you to the mall and its 300 shops, services and restaurants.

Large windows, expansive terraces and the southern orientation of nearly every home virtually erase the barriers between indoor and outdoor spaces, while maximizing sun exposure. Nature is front and centre with mature trees, winding trails and water features throughout the community.
