Overview

Crossing at Belmont - 945 Reunion Avenue, Langford, BC V9B 0W4, Canada. Crossroads are Reunion Avenue and Merchant Way located in Langford. The development was completed in 2019. Crossing at Belmont has a total of 156 units and has 5 stories. Sizes range from 575 to 855 square feet.

A collection of 156 premium rental homes brought to live by Ledcor Property Investments, the same developer responsible for the Belmont Residences across the street, the Crossing at Belmont offers a premium living experience. The thoughtful mix of condominiums and rental apartments in the Belmont Masterplan Community is further enhanced by 160,000 square feet of retail and commercial shops in the vibrant Belmont Market. A part of the Belmont Masterplan Community, Crossing at Belmont offers a unique blend of urban meets suburban lifestyle, alongside the Galloping Goose Trail, numerous parks, lakes, and outdoor spaces, setting a new standard for urban living in Vancouver Islands West Shore communities!

Nearby Schools are Spencer Middle School, Belmont Secondary School, Brookes Westshore, Millstream Elementary School, Westshore Centre for Learning and Training and Lighthouse Christian Academy and Bloom Montessori Langford, Real Canadian Superstore, Market On Millstream, Quality Foods WestShore and Fairway Market - Westshore Centre. Nearby parks include West Shore Skatepark, Colwood Creek Park and Afriston Park.
