dream neighborhood

We want it all! The energy, the entertainment and the convenience you get living in the city.

The perfect neighborhood is when what happens outside your door is just as important as what happens inside. A dream neighborhood lets you roll out of bed on a weekend morning, walk to the local café and order the "usual" for breakfast. It gives you a place to meet up in the park for a walk with friends.

Living in South Surrey also makes it easy to get anywhere in the region: Highway 99 puts you just 30-45 minutes from downtown Vancouver. And the added bonus — you are so close to five major golf courses.

MINT's interiors have a smart urban feel, with innovative styling that offers a fresh take on classic design.

Bright, large, open-air balconies and patios are perfect for entertaining and soaking up South Surrey's sunny skies. Kitchens feature generous granite countertops and space saving microwave hood fans. And dens are roomy enough for home offices. But MINT isn't just smart; it's got equally appealing looks too. Kitchens sparkle with stainless steel appliances and entertainment style bars making them perfect for entertaining or just whipping up a quick snack.

Clean lines are the story behind spa-inspired bathrooms with granite counters, oversized showers and luxurious soaker tubs. MINT'S interiors – their crisp flair and focus on contemporary classic design and great function are in a word – refreshing.
