

FEATURES

At Panacasa, you can choose your setting. Relax on your spacious patio, kick back on an open-design roof deck, or stroll the lush courtyards. Enjoy the kid's play area, close at hand. Secure underground parking and bicycle storage give peace-of-mind and an amenity room extends your space for meetings and entertaining .

Exterior amenities:

Concrete and wood frame construction with large windows and patios view the majestic north shore mountains. A natural blend of brick facade and integrated timber detail, finish the exterior for that unique Whistler look.

Interior amenities:

All main living areas have nine footer ceilings. High-end interior fixtures come standard from gas fireplaces; thick granite countertops in the kitchen; powder rooms with under mount sinks; large format ceramic tile in bathrooms. Kitchen and bathroom cabinets come in either walnut or wenge. Floor is laminate hardwood and cut pile carpet is in the bedroom.
