The Network has everything you're into.

Residents of TV Towers enjoy exclusive membership to The Network, which has all the amenities you'd expect, plus the unexpected. When you want some downtime from all the excitement of downtown living, rejuvenate in the yoga/pilates studio. Or feel the burn in the fitness room then relax in the warmth of the steam room and sauna.

Chill with friends in the games room or challenge them to a game of pool, air hockey or foosball. Catch a show in the theatre or watch the big game in the Sports Lounge. Cheer on the Canucks and Lions. Better yet, head to the big game at their home base, just down the street from your home base.

A life this exciting couldn't be scripted.
