

WOODRUN

ON BLACKCOMB

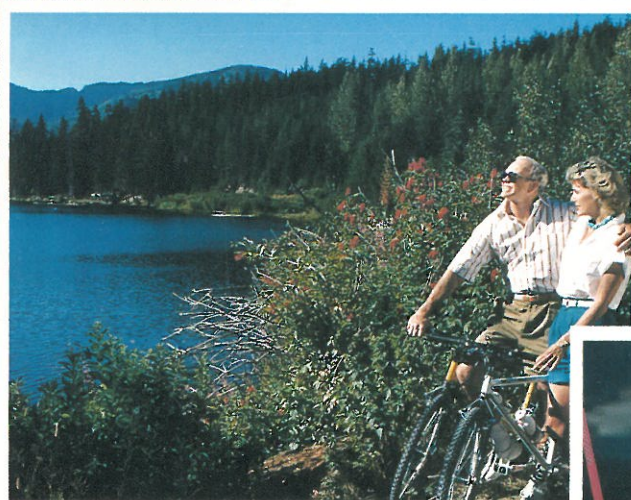

BCCONDOS.NET

When you step out of the door at Woodrun and onto your skis, you step into an experience unique in North America. Skiers schuss by on a magic carpet of freshly groomed snow. Sunlight sparkles on a sheltering stand of snow-tipped evergreens and laughter floats up from the steaming slopeside pool and jacuzzi. Below, Whistler Valley spreads out to the southwest beneath a dazzling blue sky. You point your ski tips down to the base of Blackcomb Mountain. In seconds you have boarded the Wizard Express to start an enchanting day on what Skiing magazine calls "the finest ski terrain in North America"

When day is done, your last run in the setting sun takes you home, to Woodrun on Blackcomb. Isn't this what skiing's all about?

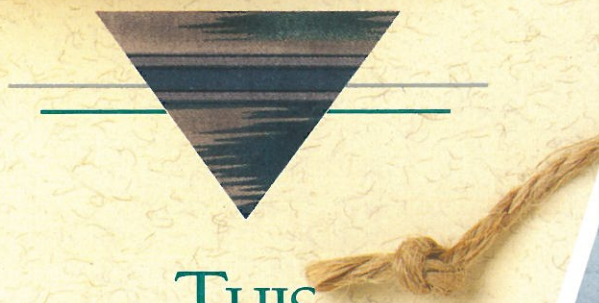

This magnificent residence hotel, developed by Blackcomb, enjoys the best location on the mountain. As the best on Blackcomb, Woodrun may also be one of the best in the world. Here you may also experience enchantment all year round in activities that refresh the body, relax the mind and restore the spirit. Revel in the sheer delight of glacier skiing on a summer morning and sailboarding in the afternoon. Test your skill on two 18-hole championship courses. One is designed by Arnold Palmer; the other, soon to be built, by Robert Trent Jones II. Join in the sunny laughter of a picnic in an Alpine meadow. Savor the satisfactions of world-class shopping, gourmet dining and all the pleasures of Blackcomb at Whistler, a mountain resort experience rated among the best in the world.

Woodrun is located on Blackcomb Mountain in the Whistler Valley, a spectacular 90-minute drive north of Vancouver, British Columbia. Here, at Woodrun's door, is the finest ski terrain in North America. From Woodrun's vaulted bay windows, the valley unfolds beyond the peaked towers of Canadian Pacific's Chateau Whistler Resort hotel. Yet you're only seconds from the heart of Blackcomb and moments from all the best of the valley.
