Every Aquarius building opens to a soaring two-to-three storey lobby, resplendent with gleaming floors and luxury interiors designed to bring the outside in. The 24-hour concierge service, video-controlled entry and restrictive elevator access provide you with security and peace of mind.

These spectacular lobbies are matched only by the exceptional interiors of each spacious townhome and suite. Generous one-to-three bedroom & den floor plans are uniquely suited to entertaining both indoors and out against a dramatic backdrop of panoramic views. Enjoy sun-drenched mornings stretched out on open balconies, overlooking a colourful parade of sailboats and yachts.

Designed to maximize views, Aquarius offers the best in spacious, contemporary and richly-appointed waterfront homes.

Welcome to the privileged world of Club Aquarius, a private luxury amenity club that offers Aquarius owners three levels of business and pleasure.

Level One is home to the fully-equipped Business and Computer Centre as well as the Social Lounge Room, which comes complete with a billiard table.

Work out on Level Two at the club's Fitness Spa, with its large indoor pool, whirlpool, sauna, steam rooms, plus private weight and cardio areas. For big-screen entertainment, the mini Theatre Room offers comfortable seating for up to 20 friends.

Upstairs on Level Three is the ultimate back yard—a luxury lagoon surrounded by exquisite gardens and water features. Wander through this tapestry of landscaped elements to the all-glass Aerobic Clubhouse and soak in the beauty of your own private garden oasis.
