GREEN INITIATIVES

- Improved indoor air quality thanks to low VOC paints and flooring throughout
- **Smart Location:** pedestrian-friendly community with easy access to transit; efficient site-planning for compact housing; and a diverse range of housing/floor plan types
- **Water Conservation:** low-flow toilets, showerheads and faucet aerators, as well as drought-tolerant landscaping
- **Energy Conservation:** Lonsdale Energy Corp heat & hot water system; energy-efficient common area lighting; Energy Star® windows, dishwasher and clothes washer; and 2x6 R22 exterior wall insulation
- **Recycling Program:** recycling facilities for residents; recycled materials used in construction; demolition material and up to 75% of construction waste recycled
- **Extra-green Efforts:** native plantings to reduce the need for pesticides and fertilizers; erosion control and vegetation safeguards; soil control and bulk excavating to reduce site disturbance; and environmental workshops with trades and suppliers

CONNECTED & CONVENIENT

- Parks, groceries and numerous other amenities and services within walking distance
- All homes come technology ready with a smart hub for easy and secure WiFi connectivity and Internet access, CAT5e wiring and multiple pre-wired connections for high-speed cable and Internet
- Pre-wired USB charging station
- Full size storage/bicycle lockers for each home at the parking level
