ARCHITECTURE

THE CITY'S HEALTHIEST HOMES, INSIDE AND OUT.

EXTERIOR FEATURES

Paired towers of shimmering glass and steel will bring drama and beauty to this gateway corner of Richmond. Cadence's artfully crafted podium and towers will create a collection of stunning one- to three-bedroom concrete residences, and serve as a canvas for thoughtful elements, including a stunning rooftop garden & lounge, a pedestrian oriented streetscape and a diverse selection of new shops located steps from your home.

GARDEN & LOUNGE

Cadence's impressive building features are anything but common. Enjoy some quiet reflection or gather with family and friends in the rooftop garden featuring a garden inspired by the different elements of a Chinese garden and lush, tranquil leisure spaces. Entertain in the stunning "Jewel Box" glass pavilion, complete with entertaining lounge and kitchen. Make rejuvenation and revitalization a part of your daily routine with Cadence's own sports court and Steve Nash Fitness World located at Cadence's base.

STREET-LEVEL AMENITIES

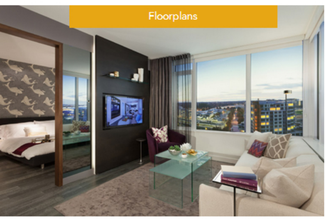

Unbelievable convenience awaits with a premier restaurant, gourmet grocery store, banking, drug store, Steve Nash Fitness World, and more, all at Cadence's base. A dynamic, pedestrian-oriented collection of shops, services, and activities is poised to make the cadence community a vibrant destination.

INTERIORS THAT FLOW

INNOVATIONS IN HEALTH MEET MODERN INTERIOR DESIGN

FLOORPLANS

To design the healthiest homes in Richmond, Cressey began by re-imagining everything from the floorplans that define them to the air quality within them. At Cadence, Cressey succeeded in creating spacious, easy-to-furnish floorpans, outfitted with classic materials and a modern finish.
