TOWNHOMES

STREAMS AT EAGLEWIND.

The Streams community consists of 50 exquisite townhome residences, with the final phase of 16 three bedroom townhomes now underway. Taking cues from its lush surroundings, this exclusive community features homes with thoughtfully planned layouts with designer finishes, rich exterior materials and intricate wood detailing, in addition to great backyards and views you have to see to believe.

INTERIORS

Taking cue from its rich, contemporary West Coast architecture, the interiors of our last phase of Streams follow suit with premium, well-appointed finishes. Choose from 2 distinct designer colour schemes – GLACIER or TIMBER – one being contemporary and fresh; the other traditional and warm. Both schemes ultra-luxurious, and sophisticated, and on trend with the latest in design. Tiled entries, shaker wood cabinetry, stone counters, stainless steel appliances, and much more! With superior and efficient floorplans that feature abundant windows, and soaring 9' foot ceilings on the main and upper floors, Streams at Eaglewind provides the best in townhome living in the heart of Squamish, BC.
