## Mara Lake Real Estate

Situated on the warm shores of Mara Lake, Hummingbird Beach Resort is a place to relax and enjoy all the surroundings. Boasting 500 feet of sandy beach and a spectacular marina with a private boat slip for each owner. Choose from [luxury townhomes](#) and [beach front cabins](#) to [cottages on the creek](#), with a wide range of pricing. Full ownership with year round caretakers are just some of the perks.

## Shuswap's Premier Waterfront Community

Hummingbird Beach Resort is a recreational haven for families. Spread out over 9.5 acres, this low density beachfront community is designed to provide privacy and still maintain a sense of community. Sunsets and views are spectacular day after day. This is one of the finest settings in all of BC.

Hummingbird Beach Resort is a four-season destination and truly a place to get away from it all. Only 81 properties span over the 9.5 acres of land which provides each owner with ample space and privacy, while still being part of a community. Close to Sicamous and Salmon Arm, this is a development that is meant to last and keep families together by making memories.

## An Interactive Map of Our Mara Lake Lakefront Properties

With just 81 homes spread over 9.5 acres, this low-density beachfront community is destined to remain naturally beautiful and serene. It boasts 500+ feet of white sandy beach and is bordered by Hummingbird Creek and the wonderfully warm waters of Mara Lake. The southwest exposure ensures sun-filled days on the beach, as well as spectacular sunsets and stunning views. [Click here to download a pdf map of the area.](#)
