Two Bedroom Condominiums
Starting from \$389,900

RHYTHM@POLYHOMES.COM

Rhythm by Polygon is an inspiring collection of condominiums in Vancouver that unites the electric energy of urban living with soothing natural beauty. Perfectly situated at the centre of Greater Vancouver, Rhythm is just a few minutes away from Richmond and Metrotown, and a mere 20-minute drive from downtown Vancouver.

Rhythm marks the impressive progression of a one-of-a-kind master-planned community that is River District Vancouver. This is quintessential riverside living at its best - just steps from the Fraser River, pier, cycling trails, waterfront park and the neighbourhood's upcoming series of amenities such as new schools, community centres, food shops, services and more. Boasting West Coast architecture, the historic-industrial aesthetic of the region has been respectfully reimagined and balanced with modern finishes. Inside, the one and two-bedroom condos at Rhythm showcase luxurious features such as marble kitchens and brand name appliances, along with views of the Fraser River or green spaces.

A seamless fusion of convenience and comfort, Rhythm is a unique community with a distinctive vibe, allowing residents to not only enjoy the city, but also relax in a riverside oasis within the urban landscape.

Features

- The homes at Rhythm feature contemporary West Coast architecture with distinctive elements including coloured metal panels, steel accents, glass and aluminum railings and stone cladding.
- Rich wood-style laminate flooring in main living areas sets the tone for modern design throughout.
- Premium stainless steel ENERGY STAR appliances including: Bosch dishwasher with sleek recessed handle, UltraQuiet sound insulation, and convenient Express Wash option; Fisher and Paykel bottom mount French door refrigerator with builtin ice maker and water dispenser; Bosch electric self-cleaning wall oven with ClearTouch glass control and gas cook top; Bosch microwave and hoodfan combination unit.
- Experience the luxury of premium engineered stone countertops and marble tile backsplash.
- Relax in the ensuite bathroom with its sleek marble countertop, floating vanity mirror, contemporary soaker tub with ceramic tile tub and shower surround (some homes) accented with glass tiles and a frameless shower door.
- The Rhythm Club provides exclusive residents-only amenities including: a fully equipped fitness studio, a residents' lounge featuring a bar serving area, and a centrally located courtyard with children's play area, seating and water features.

Neighbourhood

A few minutes from Burnaby's Metrotown, a stone's throw away from Richmond, and only from the beautiful YVR airport, the River District neighbourhood is ideally situated in South Vancouver with views of the Fraser River.

Covering 130 acres, the River District will include shops, restaurants, schools, daycares, parks, a community centre and more. Designed by a world-class team of planners, architects and engineers, this master-planned community will offer a new way to live, work and play in Vancouver.

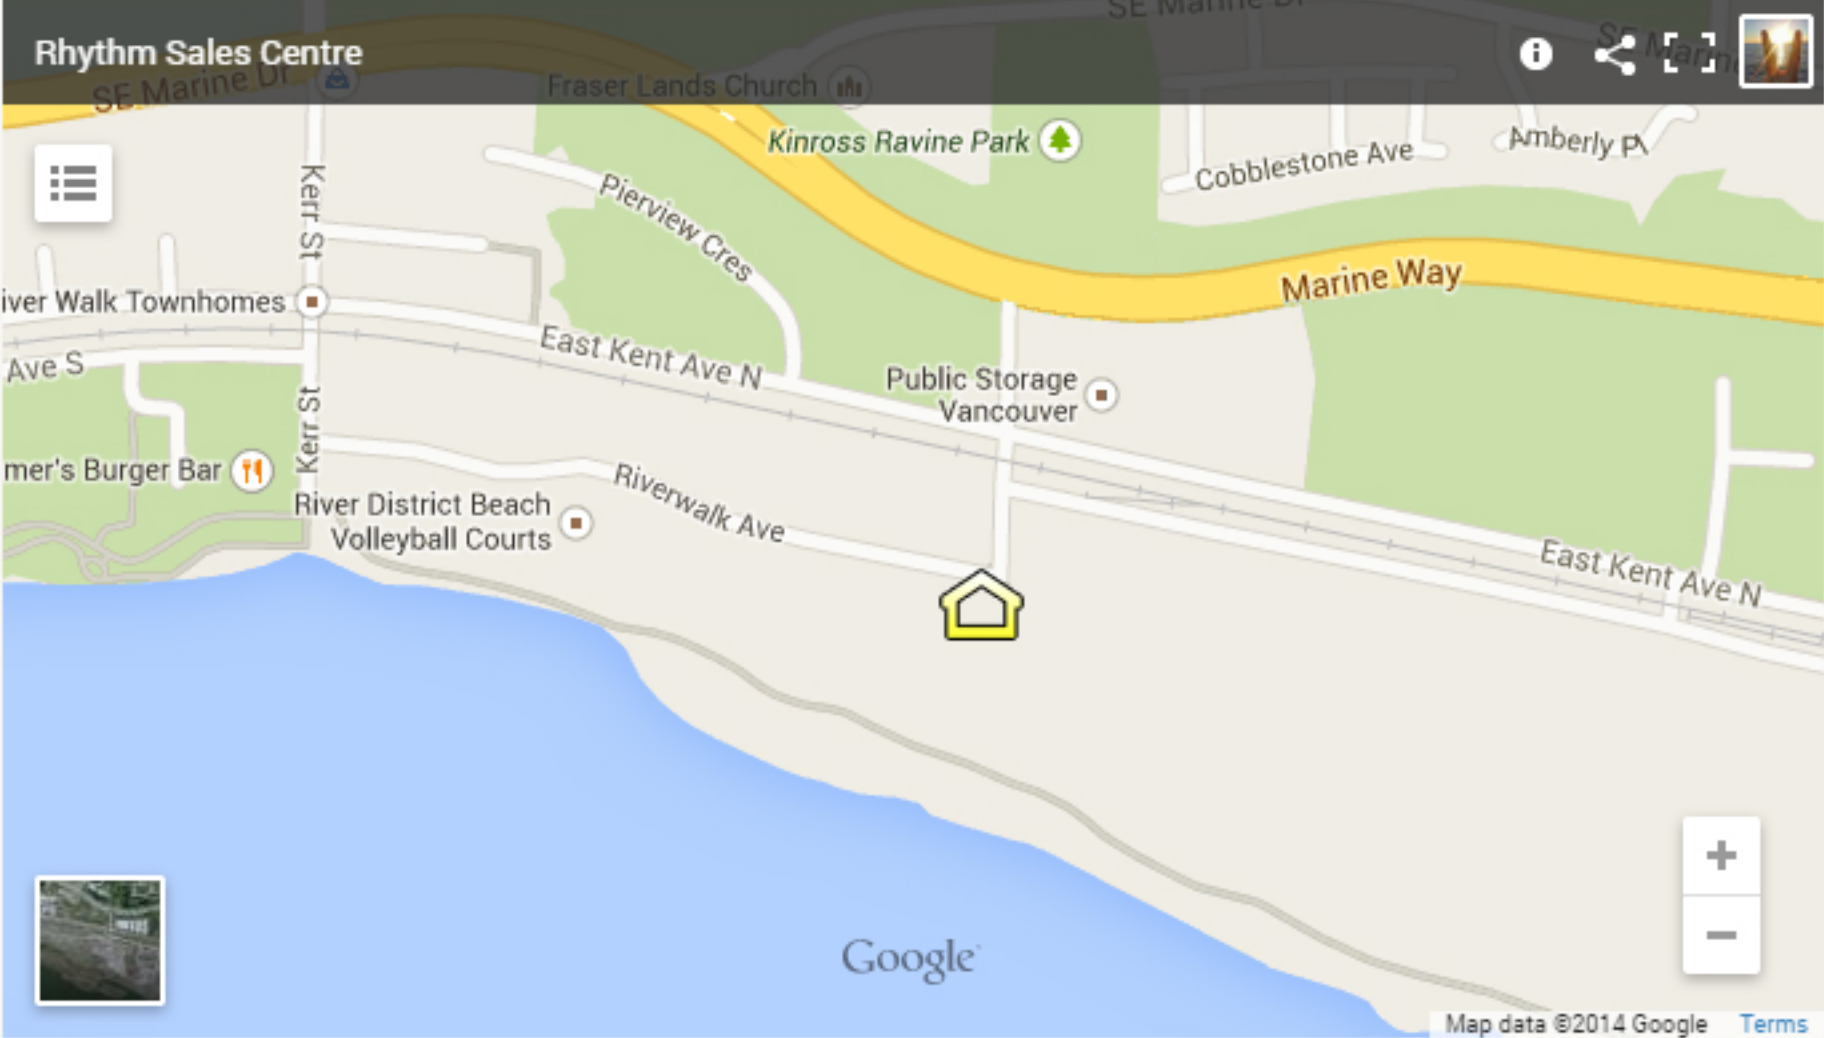

Go for jog around the Riverfront Park or hike through one of the many paths and trails along Everett Crowley Park, located within walking distance from your door. Enjoy a round of golf at the Fraserview Golf Course or spend a few hours at the driving range. Homebuyers will enjoy the shopping conveniences of the nearby Marine Way Market including London Drugs, Canadian Tire, and Cactus Club Café.
