

S

uperior quality in materials, impeccable finishing and uncompromising attention to detail distinguish the interior design of The Evergreen. And, every home, from 890 square foot single bedroom to 1,450 square foot two-bedroom pent-house, contains a collection of luxury features that makes The Evergreen incomparable.

Among the elegant decorator details: ceramic tile floors in kitchen and bathrooms, marble vanities, brass-plated fixtures (gold in penthouses), nylon carpeting, and polished oak entrance door and cabinet trim.

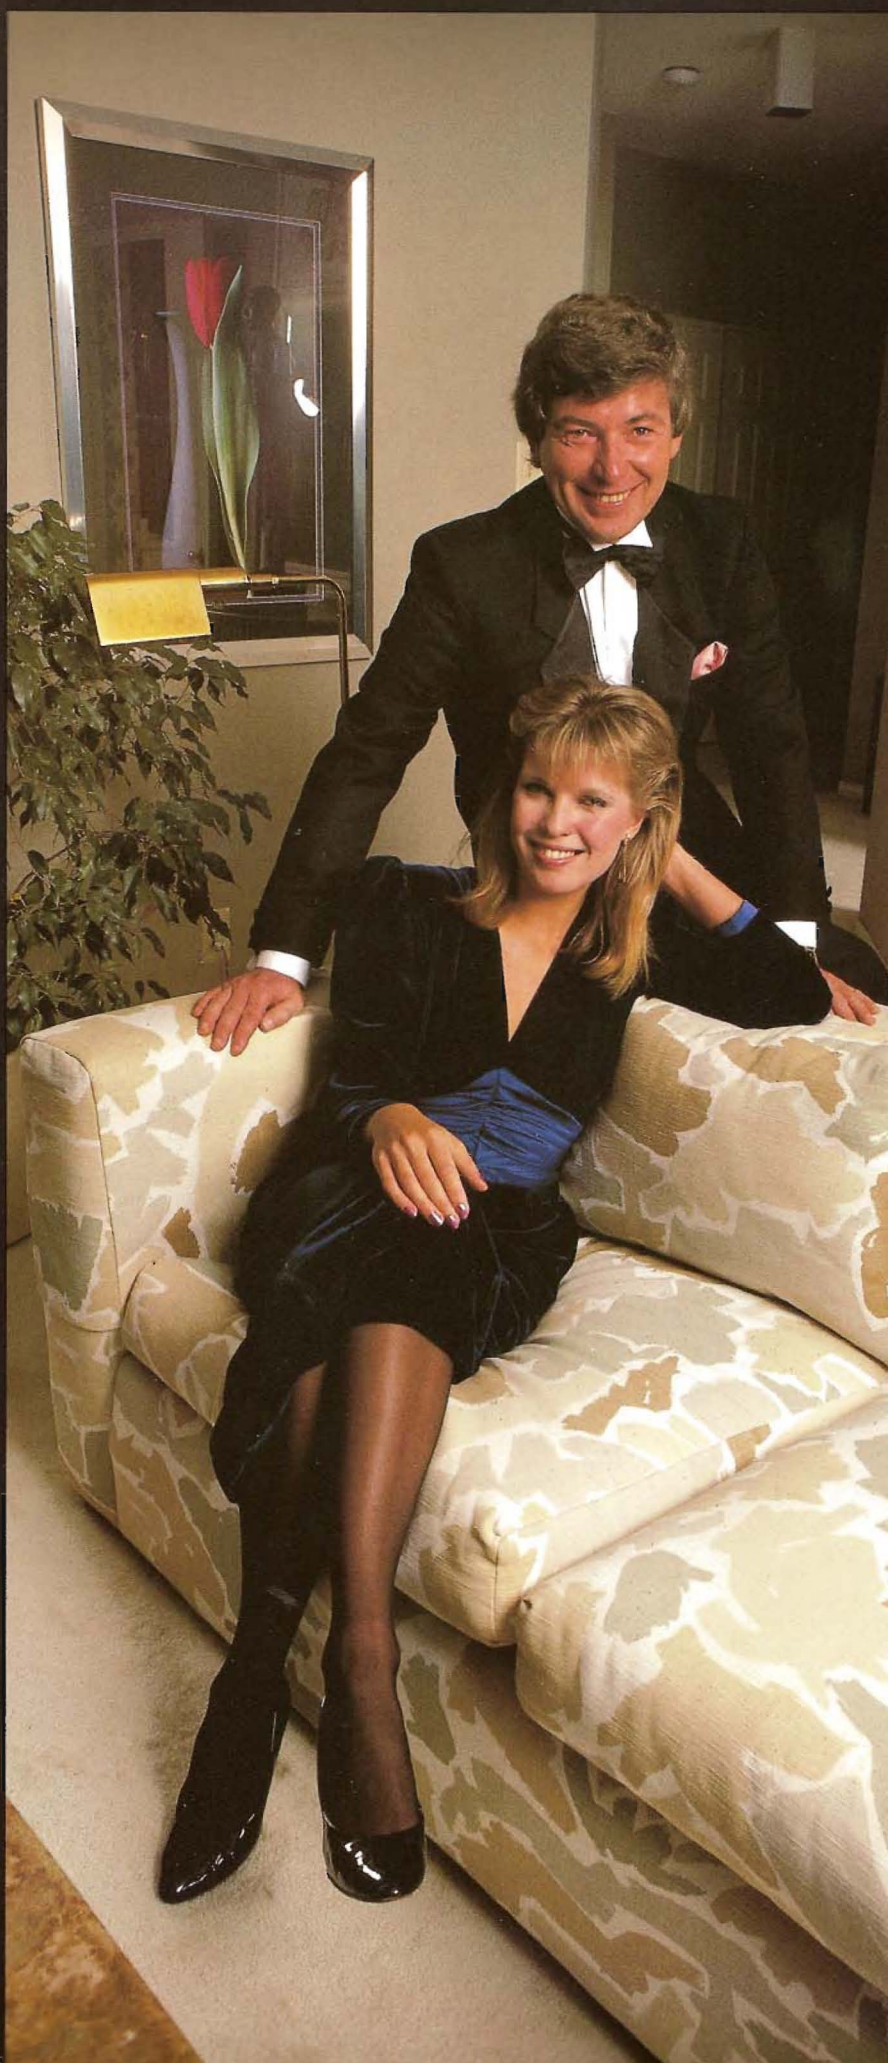

Every suite includes:

- Large balcony, 100 to 530 square feet
- Marble-faced fireplace
- Two baths
- Floor-to-ceiling glass for exterior view in kitchen
- Top-line range, refrigerator, washer, dryer, dishwasher, garbage disposal and microwave.
