NEWMARK GROUP

The Newmark Group is a full-service real estate development and construction company with over three decades of experience in building homes of distinction, from mid-rise boutique dwellings to high-rise concrete towers throughout British Columbia, California and Arizona. Exceptional quality, innovative design, sustainability and a meticulous attention to detail are the hallmarks of every Newmark project.

We believe there's more to developing land than simply erecting a building. What we do is create homes, neighbourhoods and communities that improve the lives of where people live, work, and play. We are proud to change the landscape of our communities for the better and confidently stand behind everything we build. Our newest development, Murrayville House, reflects our commitment to excellence and is a home that we ourselves would be proud to own.
