The Vision

[Project Features](#) [Built Green](#) [PDF Feature Sheet](#)

At Woodland Heights, you'll find that rare and seamless balance between the peaceful serenity of nature and an exciting urban pulse.

Located in Uptown, and only minutes from the Uptown Mall and downtown Victoria, Woodland Heights boasts some of the greenest space of any new development on the island.

In fact, only 25% of the site is covered by the buildings' footprints; and the homes of Woodland Heights — condominiums, townhomes, and heritage residences — are surrounded by mature fir and Gary Oak trees that are part of a protected green belt. Built with green standards set by the renowned Green Building Initiative, Woodland Heights is a thoughtful mix of both old and new, offering solidly built, contemporary homes with modern details, tailored for every lifestyle.

Project Features

Complimentary: TELUS high-speed internet and Optik TV subscription, Victoria Car Share co-op, peace of mind, and more...

The Neighbourhood

[Neighbourhood Amenities](#) [The Lifestyle](#)

Along with an abundance of nature, Woodland Heights presents incredible dining, shopping and entertainment experiences in the heart of Uptown. And downtown Victoria is less than 10 minutes away.

Woodland Heights is also close to three popular shopping centres: Town & Country Shopping Centre, Tillicum Centre and the area's newest shopping centre, Uptown – featuring more than 40 stores and services with the latest in electronics and fashion (think Best Buy, Future Shop, H&M, Forever 21 and Mexx among other browse-worthy shops).

Woodland Heights also provides easy access to two highways, as well as the BC Ferries terminal and the Victoria International Airport.

Woodland Heights is a naturally urban home at its best. Woodland Heights is life without compromise.
