LIFE'S
PIVOT POINT

THE POINT OF
LIVING

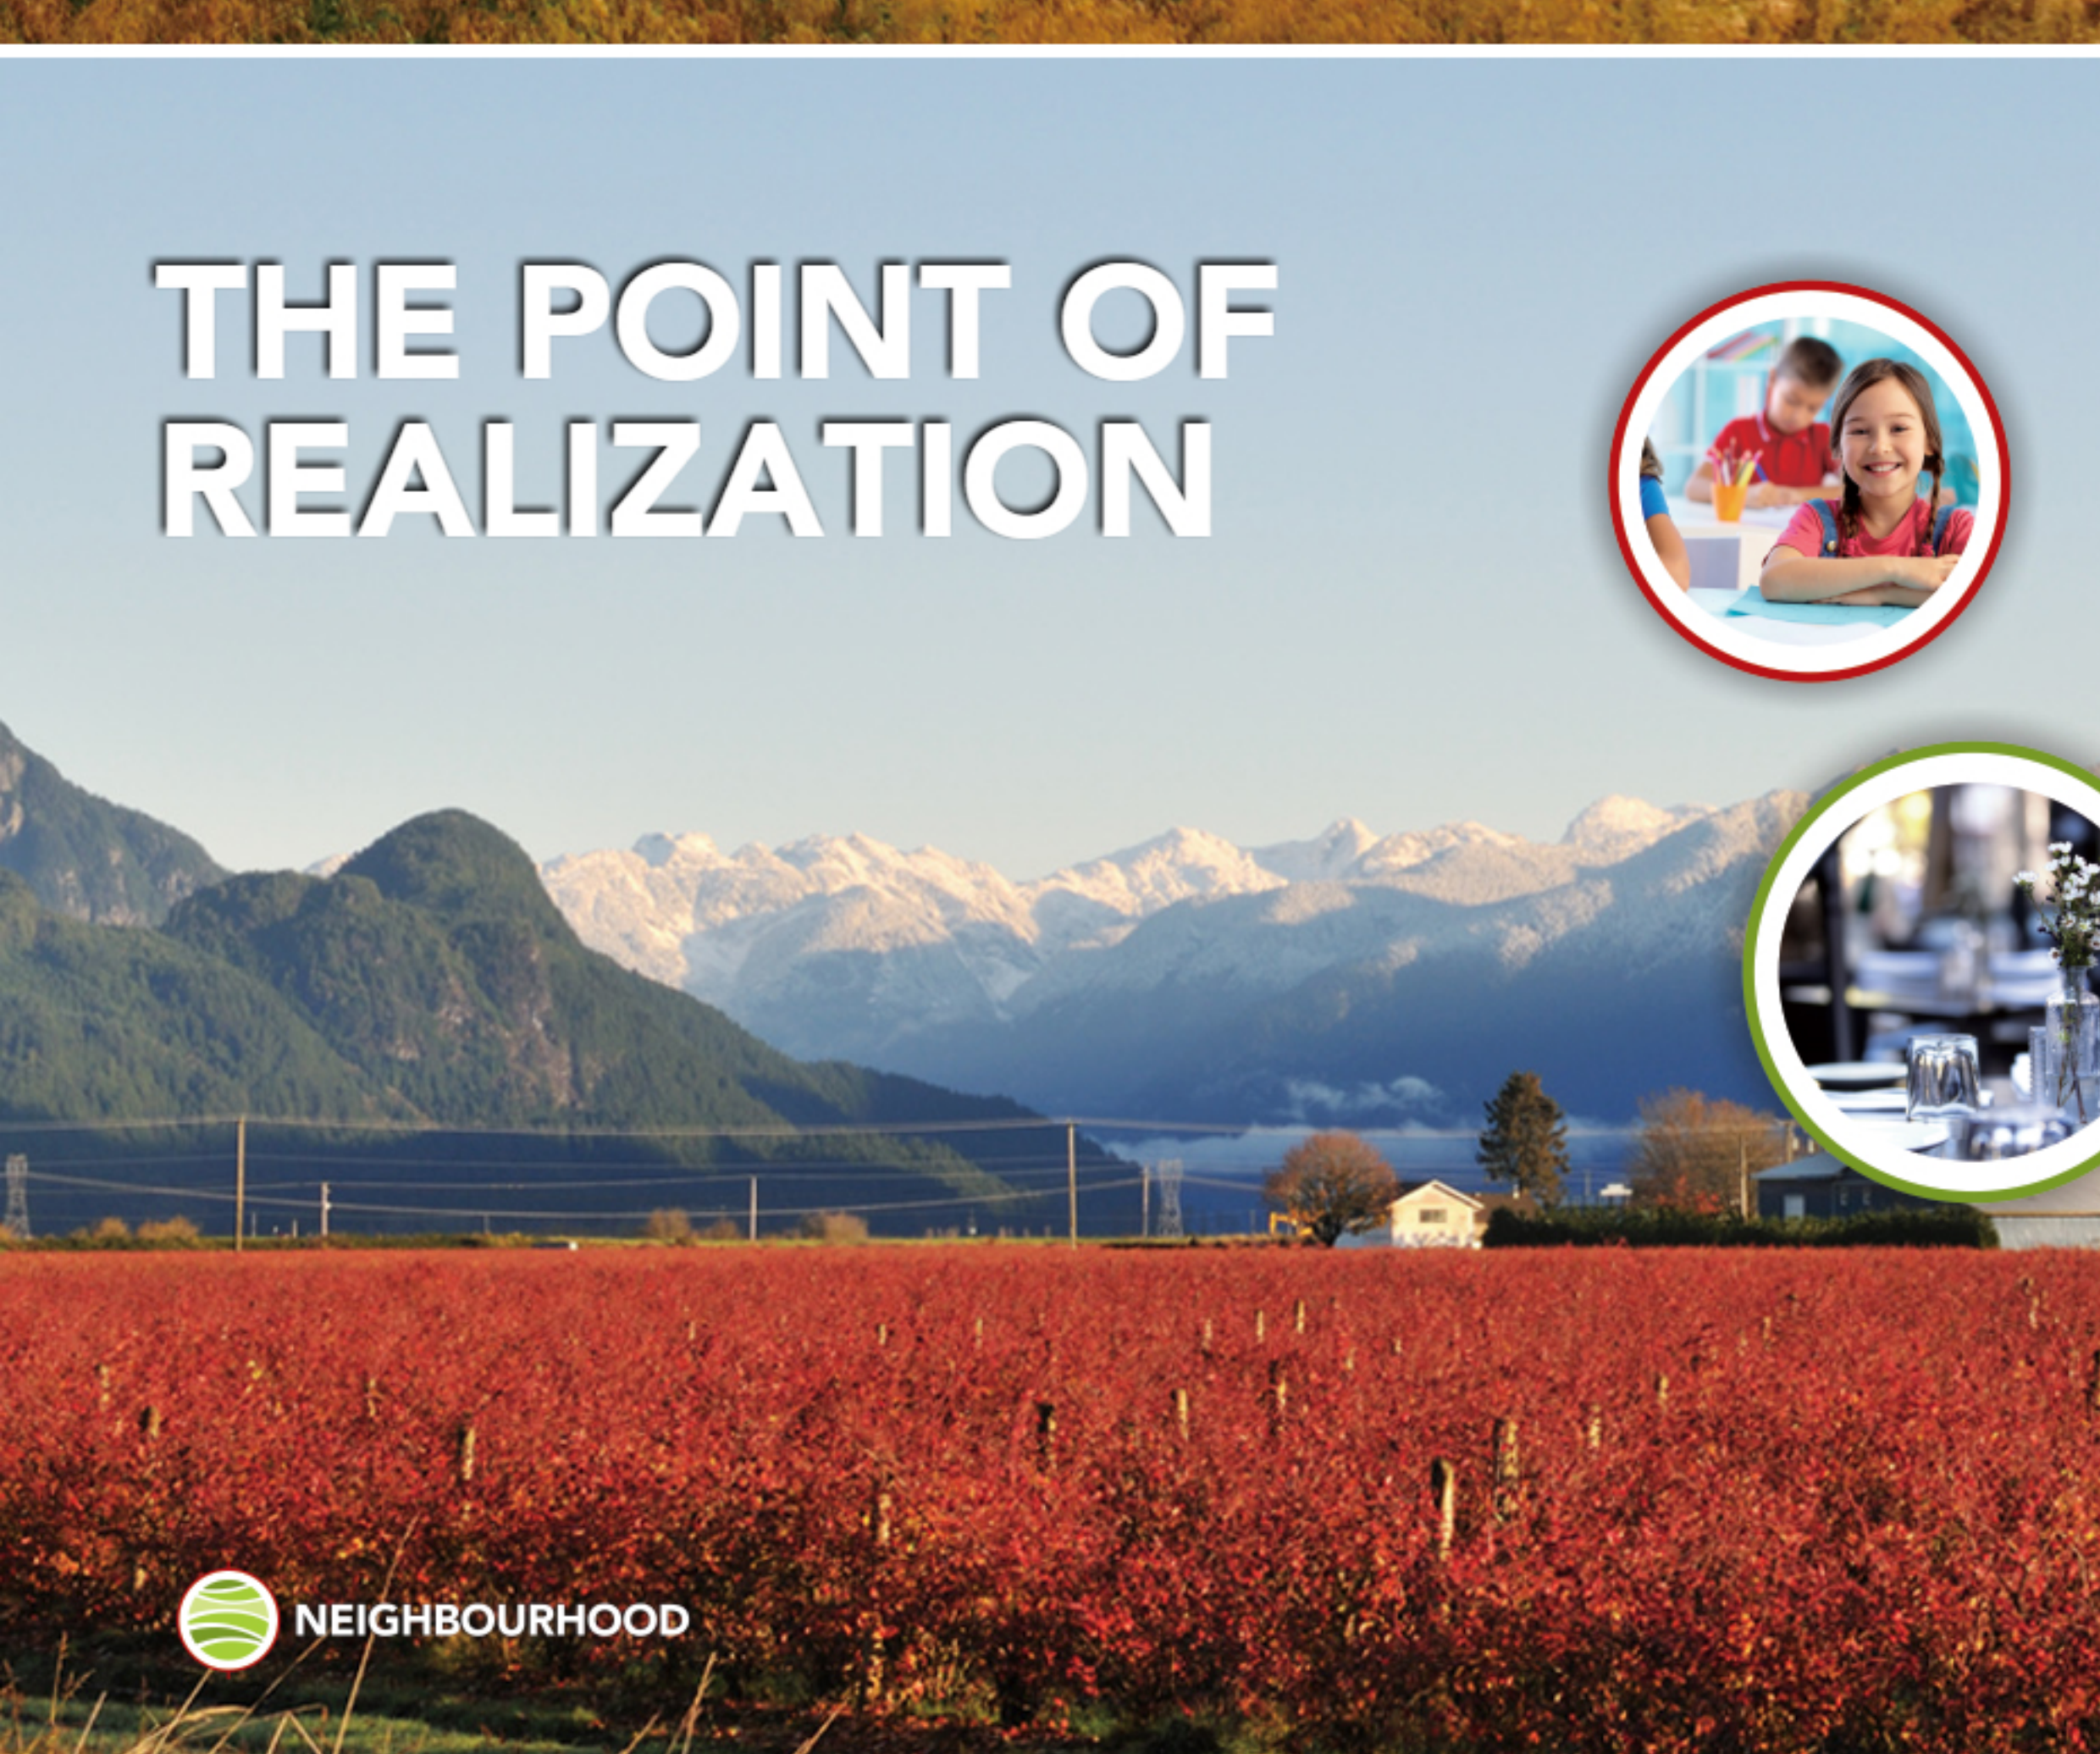

When you find a home that meets your priorities, life takes on new meaning.

At the pivot point of Dewdney Trunk Road and 203 Street, this livable low-rise sets the perfect example of life in the right direction. Whichever way your journey is headed, let your internal compass guide you – towards perfect access to the city, the liberating lifestyle you're yearning for, and above all, the place you can call home.

This is Meadows Pointe.

THE POINT OF
REALIZATION

When you set off from Meadows Pointe, you will soon realize natural beauty can go hand-in-hand with a walkable lifestyle. Schools, shopping and restaurants are all within walking distance, and still more facilities are available just a short drive from home.

Here, you will discover the true value of life in the great outdoors. Stunning parks and mountains will become your playground. Meadows Pointe provides the benefit of a backyard offering every aspect of nature.

You live at life's pivot point, and here, every base is covered.

NEIGHBOURHOOD

OPEN ROAD TO
ANY DIRECTION

From your picturesque west Maple Ridge location, it's a speedy journey to neighbouring Pitt Meadows, or to Coquitlam Town Centre where the Evergreen Line will soon be in place.

Even Vancouver can be reached in as little as 45 minutes via the Mary Hill Bypass, or the super fast West Coast Express.

Easy access to Golden Ears Bridge provides a quick route to Surrey, Langley or the US. But the best part will always be your journey home – to the mountainous terrain typical of beautiful BC.

NEIGHBOURHOOD

CONVENIENT
CONDO LIVING

When the great outdoors is your backdrop, your home should live up to nature's own designs.

Thoughtful landscaping and striking modern architecture set the precedent for beauty at Meadows Pointe. Inside, your naturally airy abode has lofty over-height ceilings and a generous balcony or ground-floor patio, while homes on the 3rd and 4th floors enjoy views of both Westwood Plateau and Golden Ears Provincial Park.

A superior lighting package sheds a bright and welcoming glow on elegant finishings, including sleek ceramic tiling and rich wood-effect flooring. Your home achieves the rare feat of innate elegance.
