We built Exchange with everything you crave in a place to call home: space (lots), design (wow), and community (nice!).

Townhomes you could seriously fall in love with. Here in the social heart of Langley: an exciting new neighbourhood of parks, schools, shops, and cafés. Big rooftop patios are like outdoor living rooms that say soak up the sun. Barbecue hookups say fire up the grill. Gas stoves say let's cook up a feast. And your friends say they'll be right over.

Did we mention mountain views? The garden plots and kids play areas? Or that Exchange starts from the low $300's? You might as well start packing.

In our continuing effort to improve and maintain the high standard of the Radius and Exchange developments, the developer reserves the right to modify or change plans, specifications, features and prices without notice. Materials may be substituted with equivalent or better at the developer's sole discretion. All dimensions and sizes are approximate and are based on preliminary survey measurements. As reverse plans occur throughout the development please see architectural plans. Renderings are an artist's conception and are intended as a general reference only. Note deck and patio sizes and shapes vary. E. & O. E.

THE COMMUNITY

Green. Walkable. Connected. A new neighbourhood designed for your social life and the good life.

Yorkson is Langley Township's fastest-growing new community, loved by young families whose lives balance outdoor adventure like hiking and biking with urban comforts like sticky ribs and craft ale. Everything is in place: 2 elementary schools within 2 blocks, lots of parks, and non-negotiables like a neighbourhood sushi joint. Right across the street is Willoughby Town Centre—just steps to a dynamite roll, groceries, and liquor store. Within a few blocks, find Starbucks, Cactus Club, Milestones, Earls, Urban Barn, Home Depot, and Costco.

Check out our contact page for driving directions.

More Room to Grow

Massive, private rooftop patios built for living large—flexible enough to be your outdoor yoga studio or summer dining room. Floor-to-ceiling windows and 10-foot ceilings let the sunshine in. Big kitchen islands, walk-in closets, garages, and smart storage solutions keep your stuff organized. You'll have a garden plot for growing killer tomatoes and sweet strawberries. The kids have a playground, and there's plenty of parking for your party guests. And if someone needs a crash pad, make them at home in the Exchange Lounge.

Jamie, Martha, Nigella—Eat Your Heart Out.

If you love to cook, this kitchen will love you back. If you don't cook, this is the place to start. (Or just order a wicked good pizza and serve it in style.) Your 8-foot island has room for everyone's elbows while they watch you slice and dice. The gas range cranks up the heat for your killer kung pao and the hood fan whisks smoke away. Stainless steel appliances, recessed pot lights, chrome fixtures make every meal a thing of beauty.
