JIM BOSA'S APPIA

Building on the Bosa Legacy – We are Burnaby builders with deep roots in the community. Jim Bosa's Appia shares the legacy of Bosa Development with Embassy Development – all three companies are based right here, having recognized the value and potential in North Burnaby, early. With over thirty years in the industry and multiple projects in the area (including Madison Centre, Paramount, Vantage) and throughout the Lower Mainland, Canada and North America, the Bosa legacy continues to build on a reputation of integrity, quality, customer satisfaction and vision. SOLO District is an iconic example of this passion and expertise.
