CENTRAL, CONVENIENT AND FUN.

There are a host of amenities and attractions close to home, from outdoor pools, sports arenas and community centres to great restaurants, movie theatres and shopping malls. Metrotown, Royal City Centre and New Westminster Quay are all just 10 minutes away. Queens Park offers year-round family fun, with sports fields, a water spray park and petting farm. Burnaby Lake is the perfect place to reconnect with nature, whether you prefer to hike the beautiful trails or paddle the tranquil waters in a canoe or kayak. Plus quick access to transit ensures an easy commute in all directions.

FEATURES + FINISHES

BEAUTIFULLY INVITING, INSIDE AND OUT.

The contemporary west coast architecture creates a unique sense of place. Interiors are bright and spacious. Open kitchens feature premium stainless steel Whirlpool appliances, and the durable wide-plank flooring and quartz countertops suit active, growing families. Every detail is designed to enhance livability, from the generously sized balconies and terraces that expand your living space outdoors to the glass railings that optimize light and views.

All floorplans include a den, which is great for a guest room, playroom or office. Choose from two professionally designed interior colour schemes and many optional upgrades, including built-in closet organizers and an electric fireplace.

TEAM

CRYSTAL VIEW DEVELOPMENTS

Crystal View Developments has been building wood-frame condominiums, townhomes, and mixed-use multi-storey buildings throughout the Lower Mainland since 1992.

Recognizing that home ownership is one of the most important decisions a person makes in their lifetime, they are committed to using the finest materials, skilled trades and meticulous quality controls to create homes of exceptional livability and lasting value.

WARRANTY

Every Saxon home is covered by a comprehensive National Home Warranty, which includes:

- 2 years coverage on materials, workmanship, and major systems
- 5 years coverage on the building envelope
- 10 years coverage on structural defects
