HOMES WITH CHARACTER

YOUR HERITAGE HOME WILL BE THE ONLY ONE OF ITS KIND ON THE STREET

Heritage homes are a reflection of Murrayville's rural roots. Modelled on Craftsman-style architecture, each home features a gabled roof with white brick masonry and cedar wood shingle accents. Wind your way through tree-lined streets, past landscaped boulevards, until you spot the familiar trellis entrance. Unlatch the gate to your yard, pausing to admire the flowers before following the paved path inside.

A NEIGHBOURHOOD ROOTED IN HISTORY

Settled in 1870 and officially named Murrayville by the local post office in 1925, this historic community blends city convenience with the charm of small-town living. Visit Tracycakes, where locals go to catch up over a home-style baked treats made with old-school ingredients. Or try Porter's Bistro — a popular coffee and lunch stop for everyone from RCMP officers to the local swim club. On weekends, visitors push the tables and chairs aside and the bistro becomes a live music venue.
