

LIVE THE PARK LIFE

8X ON THE PARK soars above the city with iconic architecture designed with purpose. The engaging exterior is matched by an elegant and inviting interior with the finest quality finishes and materials.

DESIGN + LIVING

- Air-conditioned interiors keep living spaces comfortable year-round
- Premium wide-plank engineered oak wood flooring
- 24/7 concierge service is always on call

- Wi-Fi-enabled Nest Thermostats offer remote control of your interior environment
- A choice of two designer colour schemes, Bianco (light) and Nero (dark)
- Large windows, dimmable lighting, gas barbeque connection, and private balconies offer expansive views and bring natural light inside

- Stone thresholds into every home

Homes come complete with the Millson ESC-Network™ Technology Package:

- Fully integrated telecommunications "Star Pattern" cabling package
- Built-in network with full wireless connectivity
- Extreme Speed Internet
- Additional Millson Residential Technology options available upon request
