VERITAS

AN IMPRESSIVE ARRIVAL

- The West Coast contemporary architecture of Veritas is designed by award-winning Ray Letkeman Architects Inc.
- Two distinctive buildings are carefully designed around a landscaped courtyard with a meandering pathway.
- Dramatic glazed canopies with timber supports mark the entries to each building.
- Impressive lobbies feature aluminum entry doors, custom wood paneling, porcelain tile flooring and a distinctive feature light.
- Contemporary flat-panel stained wood suite entry doors with polished chrome designer hardware to welcome you home.
- Distinctive suite entry surrounds personalize each private residence.

DISTINGUISHED INTERIORS

- Rich laminate wood flooring in entry sets the tone for the tasteful design throughout.
- Deck or patio for sunny days and summer living with direct access off the patio for most ground level homes.
- Two designer colour schemes: Earth and Sky.
- Plush nylon carpeting puts comfort at your feet.
- Painted wood baseboards throughout.
- Vertical blinds on sliding doors, horizontal blinds on all windows.
- Decora style rocker light switches.

GOURMET KITCHENS

- Warm laminate wood flooring throughout kitchen, living and dining.
- Laminate white or wood grain cabinets with polished chrome pulls.
- Special cabinet features include corner cupboards with rotating shelves in most homes to keep everything conveniently close.
- Contemporary halogen track lighting highlights your creative cooking.
- Triple roll-out recycling bin station provided in each home.
- Premium engineered stone countertops with full height glass tile backsplash.
- Most homes feature convenient breakfast bar for those busy mornings.
- Stainless steel appliances package:
