Overview

Introducing Promenade at The Quay by Polygon, a landmark collection of apartment residences in the heart of vibrant Lower Lonsdale. Discover a West Coast contemporary community of 117 homes right across the street from Lonsdale Quay.

With sweeping views of downtown Vancouver to the south and the stunning North Shore Mountains to the north, these one to three + flex bedroom homes are laid out with elegance and style. Inside, get creative in a chef's kitchen with integrated Bosch appliances, marble backsplash, and a sizable island or eating bar. Luxuriate in an ensuite featuring a spa shower with a rain showerhead and built-in bench, integrated medicine cabinet, and smooth marble throughout.

Enjoy living in the epicentre of it all - excellent restaurants, fabulous shopping, fresh produce and delicacies from the market, museums, art galleries, and ample festivals! Step outside your door and enjoy local fine dining, live music, and access to the walking and biking trails that also surround the neighbourhood. Or find tranquility and stillness above the liveliness of your neighbourhood by retreating to the landscaped second floor podium, or your private balcony.

Outside your door and all around the North Shore a bounty of sun-filled patios, shopping, adrenalin sports and fresh-air fun awaits. Promenade's location directly across from Lonsdale Quay is a one-of-a-kind opportunity. The vibrant Lower Lonsdale community is already in full bloom, and only expanding its allure with upcoming additions like the Polygon Gallery, ice rink, and many more upgrades to The Shipyards. The Promenade building will also be unique in that it is surrounded by retailers, and is the only residential place available right in the heart of this restaurant and shopping rich neighbourhood, with most residential buildings a few blocks away. The Promenade building is designed to compliment and expand the existing beauty of this area, and will add a new level of sophistication to an already desirable place.
