LIVING IN THE HEART OF EVERYWHERE.

UNPARALLELED LIFESTYLE.

Kanaka Hill is nestled in an enclave of trees in the family-focused Kanaka Creek neighbourhood of Maple Ridge. While the forest setting supports a tranquil living experience, urban amenities, transportation networks, and recreation are all at your fingertips. Grocery stores, restaurants, services, and the public library are a quick drive away in the centre of Maple Ridge. Pick up a bottle of wine, grab a coffee to go, or find something delicious for dinner. Elementary, Middle and Secondary Schools are either within walking distance or minutes by car or bike.

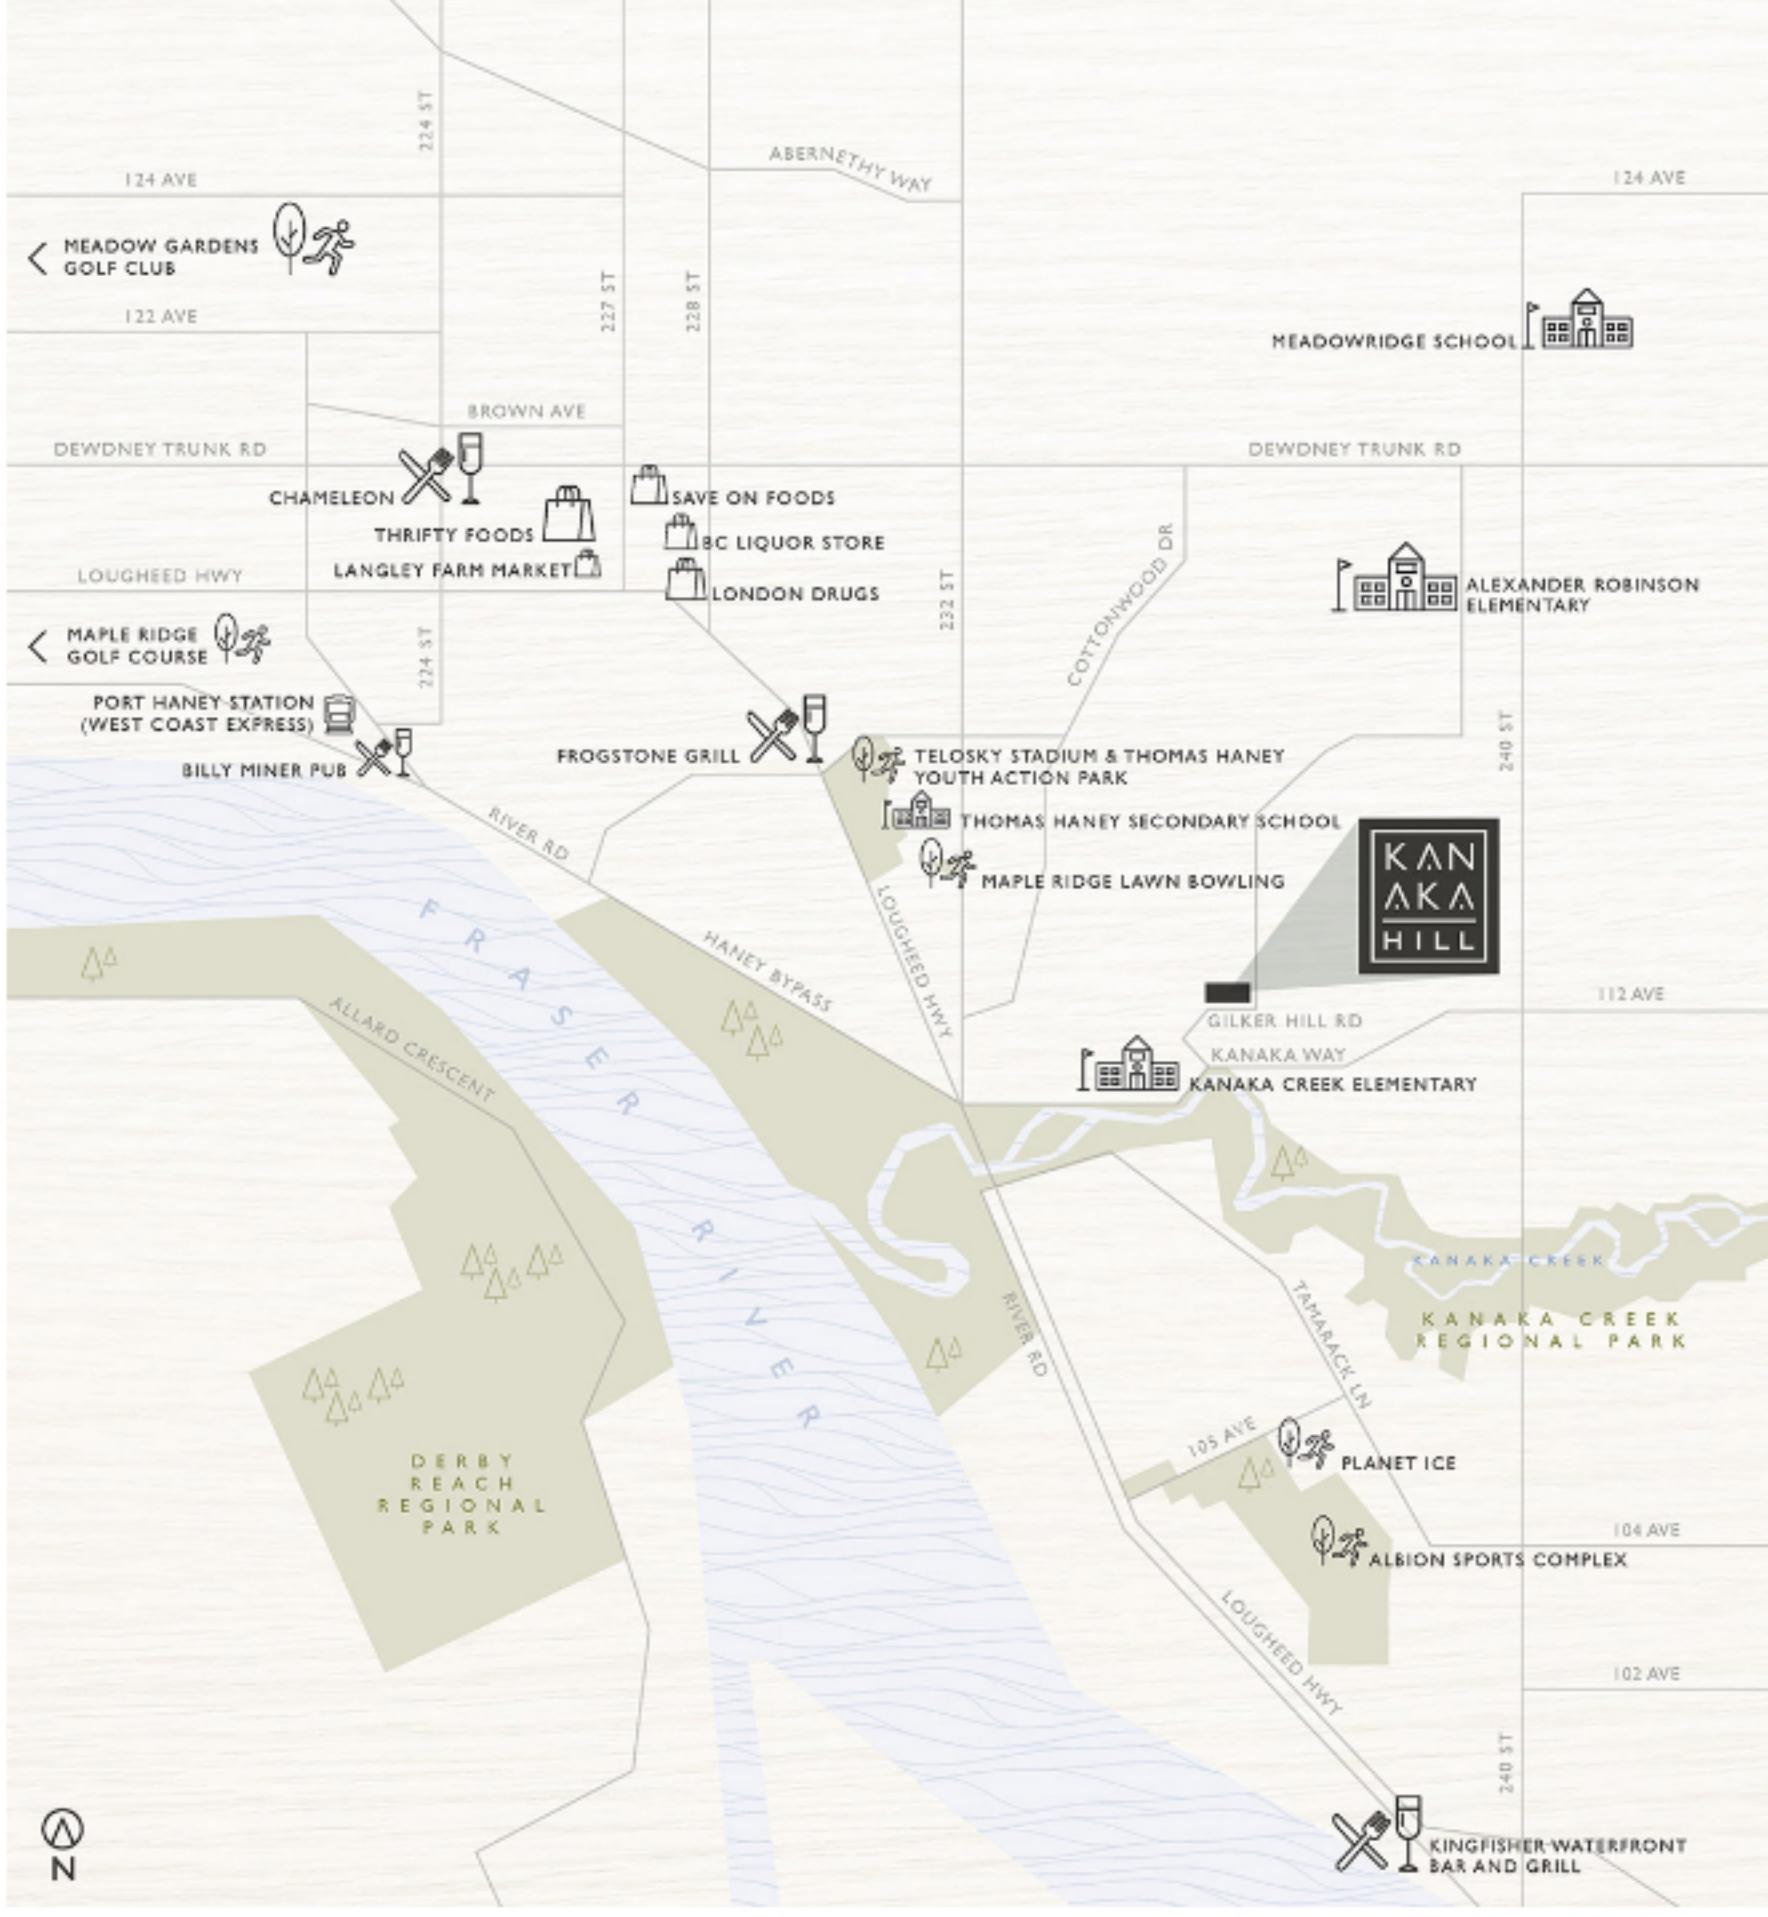

Recreation is abundant and all around. The serene and stunning Kanaka Creek is just down the street – explore 10 kilometres of walking trails. Embark on an even wilder outdoor adventure at Golden Ears Provincial Park, spend an afternoon riding horses at one of the many local stables, or play a round of golf at Meadow Gardens Golf Club. With all this at your doorstep, you're also connected to locations throughout the Lower Mainland with easy access to the Lougheed Highway. There is never a dull moment here.

The sun is peaking through the trees to make a nice star on this trail in Maple Ridge.

WHERE LOCATION ACTUALLY IS EVERYTHING.

DESIGN PURE AND SIMPLE.

ARCHITECTURE BALANCED WITH NATURE.

The townhome community of Kanaka Hill complements the nature of the neighbouring forest it lives within. A down-to-earth West Coast style is paired with traditional British equestrian-inspired details. Stone and wood, gable roofs and dormers, wrought iron and mullioned windows – all flawlessly united with quality craftsmanship. Entry porches, balconies, and decks are places to pause and breathe in the fresh air. Homes feel simple, yet elegant. Classic, yet contemporary. You'll feel the connection with nature in every detail.

INTERIORS IN TOUCH WITH LIVING.

Designed for family living, contemporary interiors at Kanaka Hill stand out with smart, functional layouts and meticulous details. With 3 or 4 bedrooms, there's space for every member of your family, at every stage of life. Lots of natural light from our hill-top location and serene forest views inspire your days. Two beautiful schemes curated by Portico Design Group appeal to your tastes.
