

THE
STANTON
KERRISDALE

PRESENTING THE
STANTON – THE RARE
OPPORTUNITY TO LIVE
IN AN EXQUISITE HOME

Poised on a beautiful boulevard with mature trees reaching across the streetscape, the elegant stature of The Stanton flawlessly integrates with the prestigious nature of Kerrisdale. Seventeen homes are enclosed within a dignified concrete façade, skillfully defined with mullioned windows and decorative details. The intimacy of the boutique building contributes to the neighbourhood's incomparable charm.

A SOPHISTICATED ILLUSTRATION OF INTERIOR DESIGN

Step within the stately walls of The Stanton and experience interiors of refinement. The choice of two contemporary colour schemes is provided to seamlessly align with your style, while complementing the high quality finishings and fixtures. Floorplans are bright and spacious, intelligently designed for optimal flow and functionality. Interiors exude a dignified lifestyle.

Appreciate an elegant kitchen that is perfectly designed for your daily enjoyment or for flawless entertaining. European-inspired cabinetry beautifully extends from the floor to the ceiling. A large island creates more space for preparation, dining, and storage. The premium Miele Pureline appliance package conveys a sleek aesthetic, while performing culinary feats of the highest calibre.
