PASS THE TORCH!

April 21, 2016

behind the scenes...

The construction team is busy putting the finishing touches on the future home of our sales office, before they pass the torch off to the marketing team to get the Villo Presentation Centre and Show Home ready for its highly anticipated debut! Our team is hard at work...

WHERE IT ALL BEGINS!

April 15, 2016

We always take a round table approach to designing homes at Buccì, bringing our entire team together and trying to imagine who will eventually be living in the homes we are building. We then allow that decision to inform every aspect of the project, basing each decision that follows on a mission to...
