URBAN ATTITUDE. COUNTRY STYLE.

The new condo designs at Hudson's Loft are one of a kind anywhere. But being located in the heart of the new Central Park Village makes them extraordinary. The one bedroom, one bed plus den, two bedroom, and two bedroom plus den designs range from patio level suites to soaring two level lofts with 18 ft. ceilings, and innovative two level garden penthouses. Brick accents, amazing views and oversized industrial windows make you feel like you live in downtown Vancouver, but the surrounding parks, trails and main street of the Central Park Village provide small town ambience right at the centre of Abbotsford and its myriad lifestyle amenities.

A NATURAL
CHOICE

Streamside trails, a forested park, a quiet pond, and views of Mt Baker are just a few of Central Park Village's natural advantages. Morning walks in Horn Creek Park. Fresh bread from the market. Seeing friends for coffee at the café. The best of city and country living. An urban village surrounded by nature.

THE NEW HEART OF ABBOTSFORD

THE CITY IN THE COUNTRY

Abbotsford is now more central than ever, only 45 minutes to downtown Vancouver with the expanded Port Mann Bridge or the West Express. Travel the world from the nearby Abbotsford International Airport. Abbotsford is home to first-rate amenities, major shopping malls and the Abbotsford Entertainment and Sports Centre featuring an art gallery, theatre and Tradex Centre. It is not surprising that Abbotsford is one of the fastest growing communities in Canada.
