Overview

As the premier offering at Dayanee Springs, The Lanterns embodies the spirit of a mountain village retreat, the convenience of a great metropolitan setting, and provides a fresh approach on active living. The setting is a recreational paradise with immediate access to parks and hiking on the Hoy Creek and Shoreline Trails. This is all part of the vision: to create a tranquil, relaxed mountain village community where everything you need from lively cultural events and parks to excellent schools and places to grab a delectable dinner is literally steps from home.

Inside The Lanterns features a distinctive collection of one, two, and three bedroom homes. Natural light seeps in through large picture windows. Kitchens boast of ceramic tile back splashes and granite counters. Relax at the end of the day in your spa like bathroom feature deep soaker tubs. Outside the West Coast architecture evokes images of idyllic Whistler-style mountain retreats with large roof overhangs, spacious patios and decks, and exterior colours and materials inspired by the rich earthtones of the lush setting.

As a resident in The Lanterns you are granted exclusive access to the Timbers Club. Dayanee Spring's 7,500 sq ft resort inspired clubhouse featuring everything from a hot springs-inspired pool to a grooming centre for your pets.
