Features

With more than 110 years of building experience we set new standards of excellence which is reflected in every home we build. Meticulous attention to detail and quality begins with our stylish kitchens featuring polished quartz countertops, unexpected accent stone tile work over the stove, and stainless-steel energy-efficient appliances by KitchenAid. Enjoy bright spaces thanks to expansive windows and 9' ceilings and contemplate it all in your luxurious soaker tub. Everything is new, everything is beautiful, and everything works perfectly.

The Positives of Presales

Posted on October 14, 2015 by ledmac in [Helpful Tips](#)

How does one decide between new construction presale communities and used resale residences? With all the options available these days deciding on your new home purchase can be bewildering at times. In that light, we would like to share just a few of the reasons why so many have opted to purchase their home at Cameron now: **1. ...**

Turning Heads, Making Headlines

Posted on September 21, 2015 by ledmac in [Uncategorized](#)

The rain didn't stop our excited guests from coming to the public Grand Opening of Cameron last Saturday. We were thrilled to welcome over 300 new visitors to our presentation centre this past weekend. We also want to congratulate our purchasers for choosing their new home at Cameron. This collection of four-storey residences, city homes and two-storey stacked townhomes are now selling. With the amount of interest we have seen since ...
