

FEATURES

THE GREY VISION

- The Grey's design takes cues from its established West Point Grey neighbourhood to create a building that seamlessly complements the community
- Situated near the finest schools, recreation, and amenities that Vancouver has to offer
- Sophisticated residences designed by award-winning IBI and built by Urban One Construction guarantees your home meets or exceeds exacting standards
- Generously proportioned homes fit your furniture and changing lifestyle needs
- Concrete construction ensures your home is peacefully quiet
- Year-round comfort is maximized with zoned heating and cooling
- Oversized balconies allow you to relax and admire the world-famous Vancouver views
- Concierge offers the discerning homeowner security and convenience

SUPERIOR INTERIORS

- Two finely-crafted, custom colour palettes by Guo Interiors coordinate with your personal style
- Over-height, smooth-painted 9' ceilings in living and bedroom areas visually expand the scope of each room
- Wide-plank engineered hardwood flooring flows throughout the living and bedroom areas
- Side-by-Side washer and dryer laundry closets offer the ultimate in domestic convenience
- Solid core doors in each room create additional privacy and security

- Italian designed, show room quality built-in closets allow for impeccable organization of your possessions
- Automated smart-home technology by Crestron offers entry video surveillance through its sleek 7" wall-mount touch screen
- A highly curated collection of lifestyle upgrades has been created by the Westland Design Centre. Please ask a sales representative for more information.
