

A LIMITED COLLECTION OF 6 EXECUTIVE ROW HOMES

Life will never be the same when you walk through the front door of your new home at Cambridge Walk. Live in an open concept space with timeless interior finishing, plenty of storage to keep things organized and efficient appliances perfect for today's executive lifestyle. From the light filled kitchen where you can entertain like a chef, the bonus ground floor flex space to the comfortable and well-planned bedrooms & baths made for relaxing. Every detail is carefully executed to achieve the best that comfort and convenience offer.

LOVE WHAT YOU DO. LIVE WHERE YOU WORK.

Have a consulting business that has outgrown working from your kitchen table? Wish you had the space in your home to operate your own consulting business or photography studio? With a dedicated live/work retail space in your new home not only can you become your own boss and landlord but you can save valuable time and money. Office and retail spaces are not only expensive but are hard to come by and long commutes take away from time spent focusing on your business and family. Cambridge Walk's unique live/work zoning allows you to have the flexibility and freedom to choose how you want to program your life.

With endless options your dreams of live/work balance are finally here.
